

Yestech Magic Stage 7 (MG7) P5.9 – outdoor creative screen

A unique and a very flexible construction gives you an option not only to build huge LED outdoor screen but also to use it as a LED floor or an imaginative scenography of every stage.

A modular design with curvable option and the different shapes of the tiles such as triangles will let your creativity get to the next level.

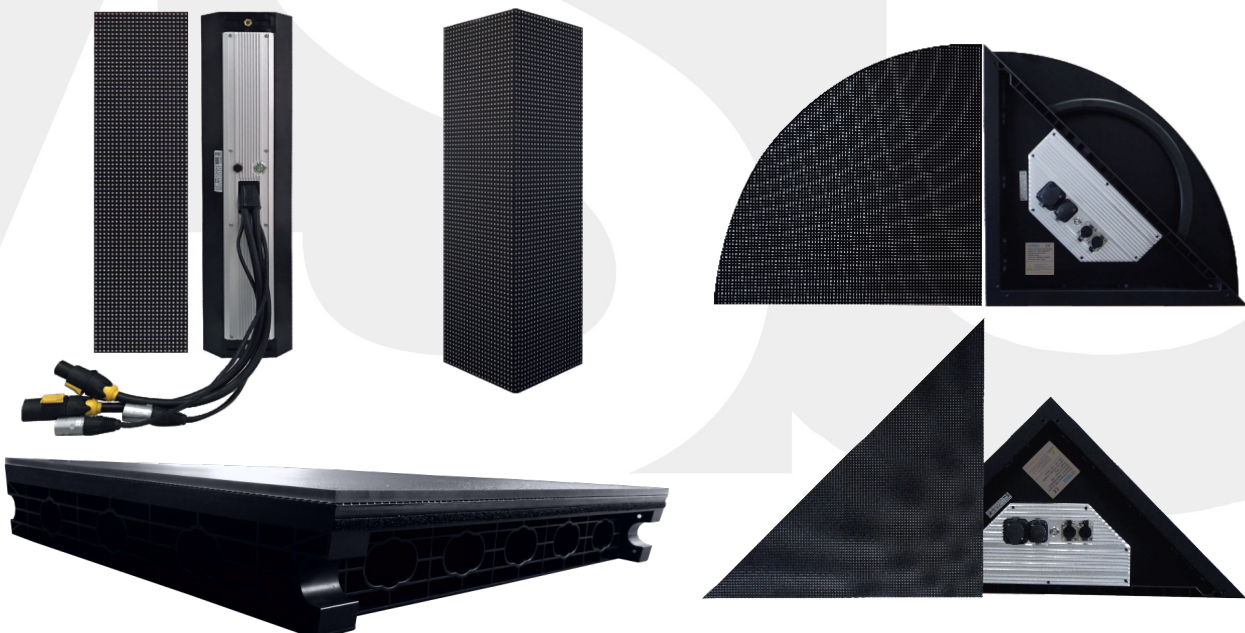

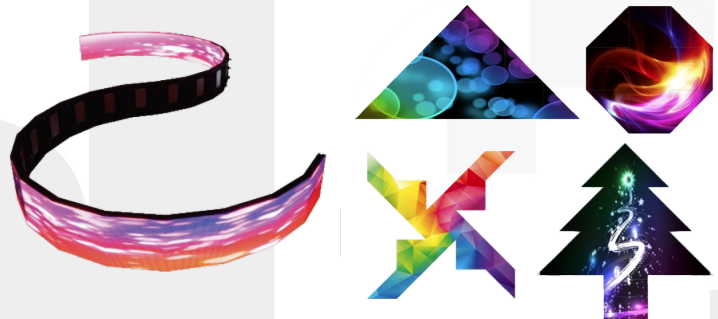

Let your creativity rule. The Upad III system lets you realize limitless configurations of any dimension. With its 0.5 x 0.5m per panel design, this screen can be shaped and scaled to almost any size.

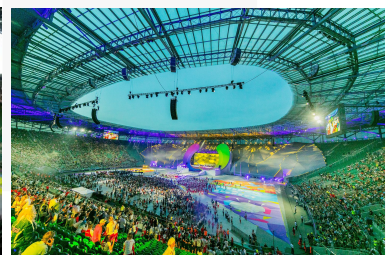

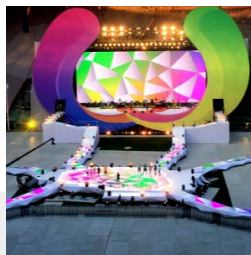

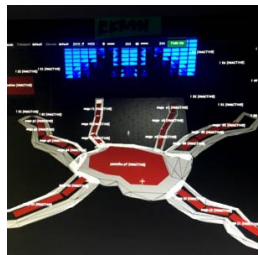

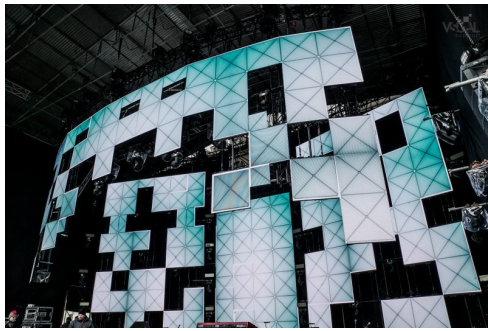

Model	MG7
Technology	SMD
Pixel density (1m ²)	168 x 168
Cabinet size (cm)	50x50
Brightness (cd/m ²)	6000
Refresh rate (Hz)	3840
Grey level (bit)	12
Cabinet weight (kg)	6,5
Max energy consumption for 1 cabinet (W)	210
Average energy consumption for one cabinet (W)	70
Cabinet thickness (cm)	7,3
Material	Composite
Environment	Outdoor
Resistance / ingress protection	IP65
Curvable (degrees)	-15 / +15
Maintenance	Rear
